Saw Felipe - picked because
I stuff -
Off about 10³⁰ am
north bound.

Rio Hardy - Theresa with
H.B. went to cook there,
wanted to "buy drinks". Full
of food.

One Mexican & more
beer.

Finally rose & went to
English Village; El Centro.

[Faint, illegible handwritten text covering the majority of the page, likely bleed-through from the reverse side.]

Ordered 50⁰⁰ check with District Rep
of two amigos.

To San Vicente - now back for work,
for the "Carrizo"

To Colonia Vicente Guerrero, 4
Domingo Place.

Met Ed Cannon, July Person. Dined
with him - mother - also, wife, wife
& daughter - a son! Dined at
mission in Barbours for "Mother's Day"
Found the old mission & old house
great. Very excellent Barbours
meat. Told of friend under mission
to know the house of old city
about statues of San Antonio, San
Miguel, San Juan, of San Juan.
I packed - could find nothing else.
Also some, stored in another
house.

Log 11

Breakfast at Grouse Place -

To Camanche - like in, no
collecting.

To beach at Santa Dominga
mouth - like most good, got
first Littorines, etc.

To Hamilton Beach, in Jap. Inlet
by 6-8 Audiver & hump - found
a noisy bird. Two grassy field
mosses seemed amused, but no
effort to call them off. So I heard
nothing: "Trotty, Trotty" with
delicious "Trotty."

Back dinner at Grouse. 11:00.

Early fog

Left about 9:30 AM for
Honey Lake, slowly for snake
fog lifted about 10:30 AM

* Snake - Black Rat Snake, mid-
from (N) River. On dirt
road, highway in shallow arroyo.
Quite a fighter.

* Snake - Yellow Rat Snake - on
dirt road across salt flats
near Sta Maria Laguna, about 1/2
mi. N. Only moderately vicious.

* Snake - Black Snake - asleep in
dirt fly at Km. 267, opp. old
mill on St Quintin Bay. Woke
when stopped for 30', tried to
outmaneuver along shoulder but kept
out of striking distance - struck
but not seriously. Big specimen.

Visited Shute Lake and back, drove thru
all colonies to Sta Quintin. Stopped on high center
